President's Report :

Liebe Mitglieder, dear Members

In accordance with our constitution and on behalf of the Secretary, notice is hereby given of, and you are invited to the **half yearly General Meeting** of members to be held at the Club on

SUNDAY, 3 June 2012 at 10.00 a.m. sharp.

The purpose of this meeting is for the Committee to have an opportunity to report to members about the first six months of Club activity, and for members to have a chance to ask questions and make suggestions for the upcoming six months. Your attendance and input would be very much appreciated by the Committee. The meeting will be followed at 11 a.m. by the monthly Frührschoppen !

Thanks to our hard working Monday morning helpers! Hannes and Ewald have been busy repairing and repainting various parts of the building. Udo has created the first of (hopefully) a number of large Beer Garden planter boxes. And Christel through her regular gardening contribution continues to make sure that our plants survive through the current dry season.

Our inaugural Euro Spring Fest earlier during the month was enjoyed by all participants and our guests from various other European communities in Cairns. Their contribution in dance and song was very much appreciated by an enthusiastic audience. The Committee is considering options to make the Euro Fest an annual event stretching perhaps over a whole weekend and inviting the participation of even more different cultural groups. What do YOU think? Share your thoughts at the half yearly general meeting!

Take care!

Peter Schaefer
